

I am severely opposed to the proposed FCC rule changes scheduled for June 2, 2003. I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. The airwaves belong to the people. It is the responsibility of the FCC to see that the airwaves are used in the public interest. The proposed changes in ownership rules are not in the public interest. On June 2nd, I urge you to retain the current ownership rules.
